YOUR PROGRAM

Day 1 - Arrival in Bastia

Welcome to the Isle of Beauty! If you're arriving by motorcycle, we'll meet you in Borgo at the agency parking lot. If you're arriving by air, we'll pick you up at the airport. After collecting the bikes, we'll start the day.
Today's program will take you to the Nebbiu by track, then on to Cape Corse.

Approx. 100 km, 25 km of tracks

Overnight Centuri in *** hotel

Day 2 - Cape Corse by motorcycle

On this second day, you'll head to the other side of the Cape to begin the descent. The trails you'll take will be more demanding, but don't worry, yesterday's ride will have given you a good start.
You'll then reach Saint-Florent via a pass in the middle of the Cape, all off-road.

Approx. 120 km 40km of trails

Overnight in Saint-Florent in a hotel***.

Day 3 - The heavenly beaches of the Agriates

On your last day on the tracks, you'll ride up to head south, away from Cape Corse. Today's objective, apart from having fun, is to reach Saleccia beach via a track. Road sections will be mandatory to reach this objective, although there will be a few trails to explore along the way.

Once you've reached the beach, you'll be able to enjoy the paradise it offers.

After a bite to eat and a rest, it's time to get back in the saddle.

The ride back to the agency is a mixture of track and winding road.

After washing the bikes and debriefing the trip, it's time to say goodbye, and a shuttle will take you to the airport.
