# Charming Tuscany on a motorbike

7 days / 6 nights

This trip brings together some of the best classic sights of Tuscany including Siena, Lucca, Firenze, Pisa, hills of olive groves and Chianti vineyards.  All of these typically Italian ingredients are combined together with one night in a 3 star hotel including swimming pool and one night in an "agriturismo" where you will discover the local culture. We also suggest you take a moment to dip your toes in the Mediterranean by staying two memorable nights in the Cinque Terre.
